FOR IMMEDIATE RELEASE

March 28, 2016

SIREN TESTING ON MAUI
MARCH 30 AND 31

HONOLULU — Hawaii Emergency Management Agency (HI-EMA), together with the Maui County Civil Defense Agency, will conduct siren testing on Maui at the following locations during the respective dates and times listed below:

Wednesday, March 30 (9 a.m. – 4 p.m.)

- Pa'ia Youth & Cultural Center, Pa'ia
- Keanae Lookout, Keanae
- Hamoa, Hana

Thursday, March 31 (9 a.m. – 12 p.m.)

- Kenolio Park, Kihei

These new sirens are part of the Statewide Siren Modernization Project. Residents nearby may hear the siren sound six to eight times for 30-second to one-minute intervals during the identified timeframe. Testing will include short blasts known as “burps.” During the tests, emergency management officials and technicians will check that installation work on this siren has been completed properly.

Questions regarding this test should be directed to the Maui County Civil Defense Agency at **(808) 270-7285**.

HI-EMA encourages the public to make use of other supplemental methods of warning including, but not limited to, Maui County's mass text notification system, [Makaala Alerts](#), and NOAA Weather Radio.
